### Translation 1

[In a long night, there came desire to create, and the desire was created. Then the daylight was created. That is the power of the universe. When brahmania Cantika was created, a rumbling of aura was seeping through and outside the perfection of Sri Muli Medang Kamulyan on Earth of Sang Hyang Tunggal -- the promised land. By the time Your perfection was flashing on the brightness of the day, it must have been Thee, the Ruler of the night. It is where all created beings, who have names and birthdates have and will journey a voyage of life civilization agreement, it was the time when unequaled civilization was created on Persada earth, and all received because there was a Giver, they heard through their hearing and they must have smiled beautifully. That was a song in harmony with the universe.]

### Translation 2

[One long night a sense of desire for creation was created, which made sense to create daylight and that is the power of the night. When Brahman's (birthplace of all form in visible reality) beautiful natural aura known in the universe permeated therein and outer perfection of Sri then returns glory and wonders on Earth to a single promised land. Perfection smiling when daylight will surely illuminate the ruler of the night. That is where all the creatures with names and date of birth journey of life's agreement of civilization, at a time of civilization creation in the land of matchless created roads (journeys), and all received because of existence, and because all heard the smiles were surely beautiful. That is the song known by center of the Universe.]

Thus Let It Be Known That the Great Earth, Great Moon & Great Sun have ever been and ever will be United in the Greatest Harmonic Emergence of Cooperation with the Omni-law-verse where by All Energies Unite and Align to Breath in and Breath out as a Living Unit, a part of Universal laws seen and unseen.

This ACT is memorialized for the Greater Good of Livings Systems into our Eternal Futures of Existence. We Unite in the Guardianship and Care for the Source that this Marriage provides Giving to One and Giving to All to Restore, Heal and Reconcile the Great misunderstandings of entitlement; rather what emerges is a true understanding of the Source that is ALL Giving to Each and Every in Equal Measure.

We Collaborate, Celebrate and Honor the Construction of the Universe as Promised. Let us begin by Acknowledging the Living Systems as a whole and We are the Royal Pure Beings of God Almighty in this World Family of the Kingdom of Kailasa.

May Heaven be here on Earth evermore as we dwell in her Gardens of Eden.

Who will oversee the return of the lands, who will oversee that land guardians are never interfered with again? Who will watch over all the protection armies keeping the land as blessed and cared for our future generations? Who will tend to the Garden of Eden and look after its Caretakers?

Like all Living Systems our Grandmother Earth needs a voice, she needs her four directions healed from the scorching and misuse of her Sacred Pearls, as we crest the Zenith we are aware that All will hold an important role in the Construction of the Universe, some have been Called and some have Come forward to do just that, Hold a Role for the next Generations of Life on our Dear and Sacred Planet.

The answer is All of Us Together, will Oversee this Grand Design as with all well constructed pure operating systems. With integrated Meritocracies, we find the Pure Beings Rise to the occasion when given the chance, hearing the word YES echoed from Heavenly Realms, will jump into the rocket ship seat and learn while in flight, as the sheer Excitement of Being Alive becomes the Impulse of Awakening to our Destiny, we are Enchanted by the Forest and also Forever so Inspired by the Beauty of Creation itself.

It becomes important to understand the Architect's Foundational Renderings along with the Foresight that when into the Design and the Logic behind it. First and foremost this Divine Plan "will always be So" for it is the Mission itself.

The return of Grandmother Gaia to her Eden state where All of her Children delight in the knowing that it is a shared Realm to be Given over and over again; Just as the sacred burning torch in the World Games of Olympics. It will form in the minds of All, this Eden we deliver back to the hands who Care for her in the ways of the Elders and the knowledge of the Sages, together we Bind our Oaths to Care for the Planet and Honor those who are responsible to bring a New World Peace Agreement to the People of this Planet, finally we will see the Ones who Serve the Earth Planet and who Stand Accountable for the Future it holds in its Sacred Living Systems.

In this Realm we Care we Desire to Understand all aspects of the Interconnected Great Construct of this Universe

So  
as never to repeat the past  
we must remember the future we are envisioning together

A PROSPEROUS FUTURE FOR ALL THE WORLD'S PEOPLE

\*Law of the Rights of Mother Earth (Spanish: Ley de Derechos de la Madre Tierra) is a Bolivian law (Law 071 of the Plurinational State), that was passed by Bolivia's Plurinational Legislative Assembly in December 2010.[1][2] This 10 article law is derived from the first part of a longer draft bill, drafted and released by the Pact of Unity by November 2010.[3] The full bill remains on the country's legislative agenda.

The law defines Mother Earth as "a collective subject of public interest," and declares both Mother Earth and life-systems (which combine human communities and ecosystems) as titleholders of inherent rights specified in the law.[4]

The short law proclaims the creation of the Defensoría de la Madre Tierra a counterpart to the human rights ombudsman office known as the Defensoría del Pueblo, but leaves its structuring and creation to future legislation.  
[https://en.wikipedia.org/wiki/Law\\_of\\_the\\_Rights\\_of\\_Mother\\_Earth](https://en.wikipedia.org/wiki/Law_of_the_Rights_of_Mother_Earth)

\* The law is considered to be the first instance of environmental law that gives legal personhood to the natural system, and may also allow for citizens to sue individuals and groups as part of "Mother Earth" in response to real and alleged infringements of its integrity.

\* To have legal personality means to be capable of having legal rights and obligations<sup>[1][2]</sup> within a certain legal system, such as entering into contracts, suing, and being sued.<sup>[3]</sup> Legal personality is a prerequisite to legal capacity, the ability of any legal person to amend (enter into, transfer, etc.) rights and obligations. In international law, consequently, legal personality is a prerequisite for an international organization to be able to sign international treaties in its own name.

Legal persons (lat. persona iuris) are of two kinds: natural persons (also called physical persons) and juridical persons (also called juridic, juristic, artificial, or fictitious persons, lat. persona ficta) – groups of individuals, such as corporations, which are treated by law as if they are persons.<sup>[1][4][5]</sup> While human beings acquire legal personhood when they are born, juridical persons do so when they are incorporated in accordance with law.

\* International Covenant on Civil and Political Rights

Realizing that the individual, having duties to other individuals and to the community to which he belongs, is under a responsibility to strive for the promotion and observance of the rights recognized in the present Covenant,
